

**MEMORANDUM**

Date: August 17, 2009

To: Mr. Don Jones  
Memphis & Shelby County Office of Planning & Development

From: Jeff Spears

RE: Requested Friendly Amendments: SUP 09-208

---

The following list outlines proposed friendly amendments to the Site Plan Conditions contained on page 11 of the Staff Report for SUP 09-208 which are requested in order to remove ambiguity and improve consistency with the agreements established with neighborhood representatives. We respectfully request the following edits be incorporated:

- ~~4. Lighting for the field and courts shall not exceed 0.01 foot candles at the property boundaries. The photometric analysis shall be shown on the Final Site Plan.~~  
The lighting level at the property boundary created by the soccer field lights and the tennis court lights shall not exceed the foot candle levels indicated in the photometric analysis submitted as supporting information for the soccer and tennis lighting design submitted to the Office of Planning & Development on July 30, 2009.
