varies yearly

As business owner, I have had the ability to have flexibility in my work schedule and the ability to choose projects that are of interest. In that regard, I have completed projects such as Memphis International Airport Planting Design, the Preserve of Lakeland PUD, and the Airport Parkway (Jackson, Mississippi).

In addition, I have been able to increase my volunteer role in the community. This includes the Center City Commission Design Review Board, Board of Trustee's Grace-St. Luke's Episcopal School and most recently the City Beautiful Commission.
